Minerva McGlaughlin Dead

Miss Minerva C McGlaughlin died at the home of Rev and Mrs R L Eutsler, at Monterey, where, for several months, she had been making her home, on Saturday evening, the 14th inst., of pneumonia, after an illness of two weeks, aged 23 years.

On Monday following, after appropriate funeral service, conducted by Rev R L Eutsler, pastor of the deceased, at Green Hill church, the remains were placed in the Lightner burying ground, near Valley Center, where several members of the family are now sleeping.

After her eleventh year Miss Minerva knew not a mother's love or a father's care and protection, and her whole life was a constant struggle against disease and suffering. When her physician found that she had pneumonia he had no hope that her frail body would overcome it, but contrary to his expectation she responded nicely to his treatment and was doing well, every symptom being favorable to her surviving the attack, but quite suddenly her heart because of its organic trouble, gave way, and in a few moments her spirit had taken its flight.

Miss Minerva knew she was going to die, and in speaking to her friends of the great change, did so as calmly and peacefully as if she had been going on a short, joyous visit to an earthly friend and knew the way perfectly, and was confident that it was entirely safe. Right living had brought about this happy state of mind. Miss Minerva was a christian.

The christian, when facing death, to experience such a feeling in regard to that which poor, weak mortals of earth look upon as being so terrible, should prove to be a positive evidence, to those who live right, of the truthfulness of the statement: "O death, where is thy sting? O grave, where is thy victory?"

Miss Minerva leaves but one sister, Mrs G G Clendenen, who faithfully watched by her side until the day before her death when she left her sister in the hands of kind friends and returned to her family, thinking she had passed the critical stage of the disease and was in a fair way of recovery. There are two brothers left, viz: Adam of Valley Center, and Harry of Frankfort, W Va. Harry, who was but recently called home to pay a last, loving tribute to his sister Nellie, could not be present during the illness nor at the burial of this love one.

In a little more than three years four members of this family have died. In January, 1900, a sister, Sudie died in the West. In December, 1902 a brother, James, died in West Va. In September, 1903 another sister, Nellie, and now another.

Mr Carichoff's new dwelling is quite a neat and attractive building, conveniently arranged and handsomely finished. During his short stay among us Mr Carichoff has been the means of adding greatly to the town.
